

## GammaTec Company Profile

**GammaTec NDT Supplies SOC Ltd, founded in 1981**, is a leading provider of non-destructive testing (NDT) equipment, accessories, and consumables. With over 44 years of experience, the company has established a reputation for delivering high-quality solutions and outstanding customer support.

Headquartered in Vereeniging, South Africa, GammaTec services customers in over 70 countries through a network of dedicated distributors and non-exclusive representatives. The company is also an equity shareholder in Oserix, a Belgian company that supplies projectors and industrial isotopes to Europe and North Africa.

The company's extensive product portfolio includes solutions for:

- Acoustic Emission Testing (AE),
- Coating Inspection,
- Electromagnetic Testing (ET),
- Hardness Testing,
- Heat Treatment,
- Infrared & Thermal Testing,
- Leak Testing (LT),
- Liquid Penetrant Testing (PT),
- Positive Material Identification (PMI),
- Radiographic Testing (RT),
- Ultrasonic Testing (UT),
- Visual Inspection (Including Drones)

GammaTec is a proud distributor of top global brands, including **BASF Chemetall, Carestream, CHC Nav, Cygnus, Ether NDE, Flyability, Incertech, Maxwell, Nexxis, NTP, Oserix, Phoenix, Proceq, Sonatest, Senseven, Sorama, Teledyne ICM and Tracerco**. The head office and distributors are equipped with maintenance departments staffed by qualified technicians, ready to repair, maintain, and calibrate the products they sell.

GammaTec's professional sales and administrative staff are dedicated to providing customers with a seamless experience, handling sensitive products like Radioisotopes and Ultrasonic Flow Detectors with competent ease. The company's motto "**CUSTOMER IS KING**" is backed by their Turnkey One-Stop policy, which always strives for complete customer satisfaction.

In addition to providing industry-leading products and services, GammaTec is committed to supporting a safe work environment, providing a positive return on investment for shareholders while protecting the environment. GammaTec takes pride in being the NDT industry leader and the company's goal is to achieve 100% customer satisfaction.
